

SLAA Online Group Inventory 2024

Collation of anonymized individual members' answers, submitted February 2024, in chronological order

Question #1:

What is one thing you like about the group and/or meeting?

I love how consistent we all are in terms of meeting times, structure of our biz meetings, gc, running the website, etc. It's comforting and sure. I really love our team approach. We have a great trusted leader group and I hope we can bring a few more officers on board.

Meeting frequency, regular attendees, respectful sharing, support.

I love the support and openness of the meeting. I feel accepted and understood.

Question #2:

What is one thing would you like to see changed about the group and/or meeting?

More participants. Perhaps we can brainstorm to drum up ideas for how to increase our membership.

More Op coverage at 4:30 pm ET meetings, more members, more trusted servants.

It may be nice to hear from someone who has many years of sobriety.

NOTE!
